There is no better time to recognize educators than during National PTA's [#PTABackToSchool](#) season.

Last week during [National PTA](#) Back-to-School Week, TikTok Shop presented a \$10,000 check to the Oxon Hill High School PTSA in Maryland. The donation is part of a larger \$100,000 donation from TikTok Shop to support PTA efforts.

This week, the Sammamish High School PTSA, Garfield High School PTSA, and Franklin High School PTSA also received \$10,000 to help ensure teachers and faculty have what's needed for a successful school year.

As a growing employer within the greater Seattle region, TikTok Shop gave some special recognition to the educators and faculty members at Sammamish, Garfield and Franklin with a delivery of back-to-school tote bags, filled to the brim with items from trusted TikTok Shop sellers and brands, including [BrüMate](#), [JLab](#), Noahtec, Twenties Beauty, and [Ethique Beauty](#).
